

# PHILHARMONIC BENEFACTORS & FRIENDS 2019-20

*... support The Phil ... save ££ ...*

Norwich Philharmonic Society is one of the city's most experienced concert promoters, with a history stretching back to 1841. First the orchestra and then, from 1930, the chorus have brought together the cream of local musicians and singers to perform large-scale symphonies, oratorios, choral works and concertos. In turn they have collaborated with internationally-acclaimed soloists, guest conductors and young professionals at the start of their careers. Programmes have unearthed rarities and introduced new works, as well as reinterpreting the core Classical and Romantic repertoire that is the mainstay of all great British musical societies. Inspired by its heritage, The Phil continues to ensure that future generations can look back with pride at today's achievements.

**However the cost of running The Phil is not insignificant – booking soloists, hire of rehearsal and concert venues, music hire, the list goes on - but our Benefactors and Friends scheme enables you to enjoy the satisfaction of knowing that you are supporting the tradition of live classical music at a local level.**

We are pleased to say that we can now offer the option to pay your Norwich Philharmonic Friends and Benefactors membership subscription by Direct Debit.
